PROFESSIONAL SUMMARY

B.Tech Computer Science and Engineering graduate with 6 months of Frontend Development Summer Training experience. Skilled in HTML5, CSS3, JavaScript, React.js, responsive web development, reusable components, React Router, API integration, Git, GitHub and VS Code. Experienced in developing user-friendly web applications, with working knowledge of Java and SQL.

TECHNICAL SKILLS

Languages: Java, JavaScript, HTML5, CSS3, SQL

Framework / Library: React.js

Web Development: Responsive Web Design, React Components, React Router, API Integration

Tools: Git, GitHub, VS Code

EXPERIENCE

S O INFOTECH (P) LTD. — Frontend Developer (Summer Training)

June 2025 – December 2025

- Completed Summer Training and gained hands-on experience using HTML5, CSS3, JavaScript, and React.js.
- Built reusable React components to improve consistency, maintainability, and development efficiency.
- Implemented client-side routing using React Router and integrated APIs to fetch and display application data.
- Worked with Git and GitHub for source-code management and version control.

PROJECTS

E-Commerce Website

- Developed a responsive e-commerce website with product listing, search, and cart functionality using React.js.
- Created reusable React components to improve user experience and maintain a structured frontend.
- Implemented responsive layouts using HTML5 and CSS3 for consistent performance across screen sizes.

Weather Application

- Built a weather application using API integration to fetch and display real-time weather data.
- Designed a responsive interface for clear presentation of weather information across different screen sizes.
- Used JavaScript to handle API responses and dynamically update weather information.

CERTIFICATIONS & TRAINING

Java Full Stack Development – Pursuing

Currently pursuing training in Java Full Stack Development, covering Java, object-oriented programming, SQL, backend development, and web application development.

EDUCATION

Rajarshi Rananjay Sinh Institute of Management And Technology, Sultanpur, Uttar Pradesh

Bachelor of Technology (B.Tech) – Computer Science and Engineering | CGPA: 8.21

July 2022 – June 2026
